The Incomplete Tim Key: About 300 Of His Poetical Gems And What-Nots

Synopsis

This is Key's most comprehensive collection of poeticals put together to date. The sheer weight of the book is testament to this comprehensibility. Of course it is lighter than something like a Braun fridge or a fat guy. But as a book, you will note, it's of a nice weight. It's full of poems by Key (award-winning) primarily about love, sex, dreams, death, and fruit (strawberries, beans, etc). The publishing of the book in no way ties in with things like "demand" or "clamor" but is more a result of Key having a full English breakfast with the right person at the right time. Key is not the sort of person to take offense if you don't buy his book but instead replace it on its shelf or lazily slot it between a couple of DBC Pierres or dump it by a pot plant next to the till. Key's just happy that someone has bothered to touch it. That is enough for Key (Newsweek).

Book Information

Paperback: 336 pages

Publisher: Canongate UK; Main edition (November 1, 2015)

Language: English

ISBN-10: 1782116796

ISBN-13: 978-1782116790

Product Dimensions: 5.2 x 0.9 x 7.9 inches

Shipping Weight: 12.6 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (1 customer review)

Customer Reviews

Awesome, funny and unique. I'm mostly on right now because I was hoping to find something else at all like this, but I can't, so I'll just laud this instead
