Customer Reviews

Seems to fit the bill. There aren't many entertainment law books out there. I bought it for my daughter, who is wanting to enter this area of law practice.

Decent overview. Extremely simplistic at times but (hopefully) covers the basics, as it is designed to.

Great handbook for understanding basic concepts of the entertainment industry.

Excellent overview of the legal issues facing entertainment industry. Although it was written primarily

for lawyers, I found it very helpful as a industry executive.
