This book was very helpful for me, it taught me a lot about Minecraft that I didn't know that helped me when I play Minecraft!Very good book I would recommend this book for a player of Minecraft

I think it it was pretty good. My only complaint is that it needs to talk more about how to do those things. Other wise it was as fine. One thing I noticed, is that the Author Toney Pagan,has experience playing Mine craft. Most of these 300 tips I didn't know about. My favorite tip was that you can dye a wolf's collar. I hope you will enjoy it to!!!!!!

Some of the stuff is really useless. But it does have a few cool things. A lot of the stuff isn't really

secrets, It's stuff like how you can dye a wolf's collar, I figured that out on the first day I got minecraft. I recomend it if your a newbie but I don't think it'l be much help for novices and pros. In conclusion I really love playing Minecraft and this book had a few nice ideas.

it was awsome there where so many facts.they are extrimaly hrad to find as an 3d book.mincraft is an cool as well with roblox wich is also an ipad an computer

This book is really cool. It gave me a lot of information about Minecraft that I didn't know before. If you have been playing Minecraft for a while and are looking for something new and fun to do with the game, I really reccomend you read this book.
