Product Dimensions: 6 x 1.1 x 9 inches

Shipping Weight: 1.7 pounds (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (6 customer reviews)

Best Sellers Rank: #75,432 in Books (See Top 100 in Books) #36 in [Books > History > Asia > Korea](#) #49 in [Books > Textbooks > Humanities > History > Asia](#) #50 in [Books > Reference > Writing, Research & Publishing Guides > Research](#)

Customer Reviews

I am not a scholar, nor do I pretend to be - I am an enthusiast of primary sources and history! This book, while scholarly in appearance, is very easy to read and meshes perfectly with my interest (and very probably yours as well if you are looking at this book on , teehee). The general layout of the sections flow together seamlessly. This is most notable in the separate fonts: one used for the author's description and one for the source. (It is a little frustrating that the font types are not included in the publishing information because the source-font is one I want to use! Guess I have to find it the old fashioned way: looking at all the fonts available in my Windows Word program, grr....) The descriptions of the sources themselves are informative and give context to each source as it pertains to the section it is located within. "Sources of Korean Tradition Volume 1" gives readers a general knowledge and understanding of important Korean works that one who is not versed in Korean history or language would never have been exposed to otherwise. It certainly inspired me to delve deeper into the subject. It's bibliography can be used to provide an excellent list for further reading. I recommend "Sources of Korean Tradition Volume 1" most highly. I hope this review helps to sway you in a favorable way towards this text! Happy Reading Everyone :)

Great for the grandkids.

excellent
