The Book Of Catholic Jokes

Synopsis

Yes, this book contains priest jokes and sister jokes and deacon jokes and bishop jokes and even one or two jokes that feature the Pope. But mostly these are jokes about lay people and the foibles of daily life from a Catholic (that is, Roman Catholic tradition) and a catholic (that is, universal and about everybody) perspective. These jokes are clean and not mean and not intended to offend anyone. But if you can't laugh at yourself or the human condition, then you'd be better off skipping this book. If, however, you think some of the stuff we humans do is funny, and if you admit that the Catholic Church is full of human beings, then perhaps *The Book of Catholic Jokes* is for you.

Book Information

Paperback: 128 pages

Publisher: ACTA Publications (September 15, 2008)

Customer Reviews

Great book to give a 1st communion recipient. He didn't understand all the jokes, but he will at least know not to take religion so seriously. I'm glad it was available on . I wish I had something like this as a kid.

I give it a 4 because some jokes are rehash of old jokes and they just change the person to a Catholic equivalent. However there are jokes here that are really funny especially when you have the basic Catholic background to appreciate it. Now take note this is not the best of best joke book around, but to find a joke book that has the ideals of Catholics, this is a rare find and I can easily give this to my kids without being worried about the jokes. Its a must buy.

I am a lector in our church. Often at the end of mass I am called on to tell a joke--clean,of

course--so the members can leave in a happy mood--which I think is a great idea. So once every two weeks I select a joke from the Catholic Joke Book. The members love the jokes and so does the priest. It is great to see so many people leaving in a happy mood Thanks for the book. S. Stremmel

Many of the jokes are timeless classics. It's nice to have the book to commit them to memory so they can be used at dinner parties.

Jokes a person has already heard - wording revised to conform to the title. Might be worth a buck ninety eight.

I sent a copy of this to my priest, who enjoyed it as much as I did. Gosh this is funny. Great book.
