Customer Reviews

this book does not tell you what cards to hold when dealt a hand for best chance of winning by law video poker hands have to come up the same number of timrike in a real poker game you can buy cards with tables which tells you what card to keep to have the highest chance of winning this is not the book you are looking for

Clear, concise information about playing Video Poker. No new info.....but reaffirms that there is, indeed, a way of playing the game and giving you a better chance of winning. Helpful.

Enjoyed the read. Gave clear, concise information about playing Video Poker. Now I think I can go

to a casino and play with understanding.
