Synopsis

Pulitzer-Prize-winner and bestselling author C. Vann Woodward recreates the gripping account of the battle for Leyte Gulf "the greatest naval battle of World War II and the largest engagement ever fought on the high seas. It also ended in their greatest defeat" and a tremendous victory for the United States Navy. Features a new introduction by Evan Thomas, author of *Sea of Thunder*.

"Oh Hell, they got away!" - A signalman aboard the U.S.S. Fanshaw Bay after the Japanese battleships and cruisers that had been savaging two American escort carrier divisions during the Battle off Samar (Leyte Gulf) inexplicably broke off contact and retired. In October 1944, troops commanded by General MacArthur invaded the Philippines. Knowing that the loss of these islands would cut their empire in half and render inaccessible to their naval forces the fuel stores of Southeast Asia, the Japanese decided on a last ditch, do-or-die sortie of the Imperial Fleet to

destroy the American naval force directly involved with the Philippine invasion, i.e. the Seventh Fleet commanded by Vice Admiral Thomas Kincaid, while luring off the covering naval force, the Third Fleet commanded by Admiral William Halsey. Thus, the Japanese unleashed a three-pronged attack on the American landing sites in Leyte Gulf involving three naval commands: the "A" (Northern) Force under Admiral Ozawa, the #1 Diversion Attack (Central) Force under Admiral Kurita, and the #2 Diversion Attack (Southern) Force under Admiral Shima. THE BATTLE FOR LEYTE GULF is author C. Vann Woodward's superlative account of the U.S. Navy's repulse of an enemy approaching from the north, west and south. It was, because of poor decision making, faulty communications, and disunited command chains, both a near thing for the Yanks and the ultimate source of defeat for the Japanese. Certainly nearer than the final disproportionate tally of ships lost on both sides would indicate. The Battle for Leyte Gulf was actually four separately defined and described confrontations over three days: the Battle of the Sibuyan Sea, the Battle of Surigao Strait, the Battle off Cape Engano, and the Battle off Samar.
