Native American Tribalism: Indian Survivals And Renewals

Synopsis

Contrary to the white man's early expectations, the Indian tribes of North America neither vanished nor assimilated. Despite almost four hundred years of contact with the dominant--and often domineering--Western civilization, Native Americans have maintained their cultural identity, the size, social organization, and frequently the location of their population, and their unique position before the law. Now brought up to date with a new introduction by Peter Iverson, this classic book reviews the history of contact between whites and Indians, explaining how the aboriginal inhabitants of North America have managed to remain an ethnic and cultural enclave within American and Canadian society from colonial times to the present day. The late D'Arcy McNickle--renowned anthropologist and member of the Flathead Tribe of Montana--shows that while Native Americans have always been eager to adopt the knowledge and technology of white society, they carefully adapt these changes to fit into their own culture. He maintains that by emphasizing tribal self-determination, the federal government can best help Native Americans to modernize and achieve independence even as they preserve their ancient heritage. Iverson's introduction to the new edition discusses McNickle's singular contribution to Native American Studies, and provides an overview of recent events and scholarship in the field. He has also brought up to date the appendix describing the geographical distribution of the principle tribes in the United States and Canada. With its comprehensive coverage and unique perspective, the new edition of *Native American Tribalism* is essential reading for those who want to understand the past and present of our first Americans.

Book Information

Paperback: 208 pages

Publisher: Institute of Race Relations (August 19, 1993)

Language: English

ISBN-10: 0195084225

ISBN-13: 978-0195084221

Product Dimensions: 5.3 x 0.4 x 8 inches

Shipping Weight: 9.1 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (1 customer review)
